

## Implementation of MuroranIT-based COVID-19 Vaccination

### 1. Overview

#### (1) Schedule

-1st shot—September 4th (Sat.), 5th (Sun.), 11th (Sat.), 12th (Sun.), 18th (Sat.), 19th (Sun.)

-2nd shot—October 2nd (Sat.), 3rd (Sun.), 9th (Sat.), 10th (Sun.), 16th (Sat.), 17th (Sun.)

\*The date may be subject to change for some reasons like the delivery status of vaccines.

#### (2) Time

-Saturdays—from 14:00 to 18:30

-Sundays—from 10:00 to 18:00 (breaks from 12:00 to 13:00)

#### (3) Venue—University Gym

(4) Capacity—about 3,000 people (priority will be given to those who answered that they would like to receive vaccination in the questionnaire survey)

(5) Target—students, faculty and staff and their families (\*For those aged 12 and over, but those who under the age of 18 have to be accompanied by a guardian when they get vaccination) and employees at companies who work at MuroranIT on a regular basis and wish to be vaccinated

(6) Type of vaccine—Takeda/Moderna (vaccinated twice at 4-week interval)

(7) Fee—free of charge

(8) Cooperation—by Muroran City Medical Association, Muroran Pharmacist Association (dispatch of doctors, nurses and pharmacists) and Hokkaido Public University Corporation Sapporo Medical University

(9) Remarks—implemented with infectious disease countermeasures

### 2. Flow of vaccination

(1) Temperature measurement and disinfection

(2) Reception

(3) Confirmation of pre-examination slip

(4) Preliminary examination [by doctor]

(5) Vaccination [by nurses]

(6) Issuance of vaccination certificate

(7) Follow-up observation after vaccination (15 minutes or more)

### 3. How to reserve

(1) Reservation method—pre-reservation system at a designated website

(2) Reservation schedule—to be announced on August 23 (Monday)

\* Reservation and change of reservation should be made up to 2 days before vaccination date.
