

## **Implementation of MuroranIT-based COVID-19 Booster Vaccination**

### **1. Overview**

(1) Schedule—14:00 to 18:00 on June 18 (Sat.), 19 (Sun.), 25 (Sat.) and 26 (Sun.), 2022

(2) Venue—University Gym

(3) Capacity—600 people per day

(4) Target—Among students, faculty, staff, their families and employees at companies who work at MuroranIT on a regular basis, those who aged 18 years and older, have a vaccination coupon and wish to get a booster shot

\*The timing of the booster shot has to be at least 6 months after the 2nd shot.

(5) Type of vaccine—Takeda/Moderna (those who have had astrazeneca and pfizer for their 1st and/or 2nd shot can also get this booster shot)

(6) Fee—free of charge

(7) Cooperation—by Muroran City Medical Association, Muroran Pharmacist Association (dispatch of doctors, nurses and pharmacists)

(8) Remarks—In principle, vaccine coupon for 3rd shot (issued by local government) is necessary (If the coupon is not delivered by the day of booster shot, please contact us)

Vaccination will be implemented along with COVID-19 preventative measures

### **2. Flow of vaccination**

(1) Temperature measurement and disinfection

(2) Reception

(3) Confirmation of pre-examination slip

(4) Preliminary examination [by doctor]

(5) Vaccination [by nurses]

(6) Issuance of vaccination certificate

(7) Follow-up observation after vaccination (15 minutes or more)

### **3. How to reserve**

(1) Reservation method—pre-reservation system at a designated website

(2) Reservation schedule—to be announced on May 9, 2022
