Learn practical AI technology
receiving financial support

This program will select and recommend scholar candidates to MEXT. We will accept the scholar applicants with outstanding academic records from overseas institutions in a priority area (See below for priority area). We will select and recommend limited numbers of 3 candidates among all applicants to MEXT.

Priority area

India, Indonesia, Cambodia, Singapore, Sri Lanka, Thailand, Nepal, Pakistan, Bangladesh, Bhutan, Philippines, Brunei, Vietnam, Malaysia, Myanmar, Maldives, Mongolia and Laos

□ Eligibility requirements

Applicants for MEXT scholarship must satisfy both qualifications of PBL-AI and MEXT. For the details of these qualifications, please see <https://www.muroran-it.ac.jp/oia/announcements/post-5176.html> (scan right QR code).

□ Scholarships and other benefits

A maximum of three applicants can be selected as scholarship students supported by MEXT (Japanese Government). But applicants must satisfy both qualifications of PBL-AI and MEXT.

(1) Amount of scholarship listed below will be granted to the recipients.

-Doctor's Course Student: JPY145,000 per month

(2) Screening, Entrance and tuition fees will be exempted.

(3) Travel expenses: Ticket to Japan and Return ticket.

(4) Scholarship Period:

For degree students: scholarship will be granted from October in 2022 for the regular period of degree course. Because the purpose of this scholarship is to support your living expense at Japan, you can't receive the scholarship of the month before you come to Japan.

□ Important matters

Applicants for MEXT scholarship should contact one of our PBL-AI Program faculty members with his/her research background and research plan and find an academic supervisor before the recommendation by home institution.

□ Important dates **Deadline: All documents must arrive no later than March 7 (Mon.), 2022.**
